

RELAX, RESETTING A PASSWORD IS PAINLESS

Forgetting passwords is a fact of life that happens to the best of us. Fortunately, it's simple to fix.

“Forgot Password?” links are provided at all login locations on the InnSeason Resorts site:

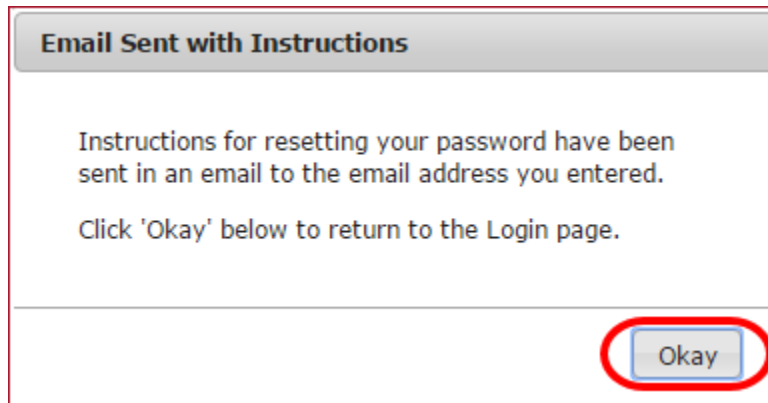

1. Click on “Forgot Password?” to access the password reset function on the Owner Services page.

2. Enter the email address *that you used to create your account*.

RESETTING FORGOTTEN PASSWORDS FOR INNSEASON.COM

- Click on “Submit”. The following confirmation message will be displayed:

- Click “Okay” to close the message box.

NOTE: If there is an error in the email address, the following message will be displayed:

*** this email address is NOT registered**

- Check your email account for the password reset instructions.
