THE INNSEASON VACATION CLUB

The InnSeason Vacation Club is on the cutting edge of vacation ownership. Based on a new form of vacation currency, known as points, owners use points to rent nights or exchange for a full week of vacation. Owners purchase a specific number of points that allow for flexibility to travel when you want, as often as you want, and for as long as you want at premiere resorts throughout New England and the world.

A "members only" program, the InnSeason Vacation Club provides many additional benefits with ownership. In addition to the flexibility of point usage to meet your changing vacationing needs, you also gain membership to an exchange company to use your points to make an exchange around the world. Special owner discount rates, special vacation options and promotions are also things to look forward to when you join the InnSeason Vacation Club.

The best resorts in the best locations. Unparalleled owner service. Memories for a lifetime. That's what it means to be a member of the InnSeason Vacation Club. You'll have the freedom to choose when, where and what you want for your dream vacations.

The Ultimate Flexibility

Making Sure You Have The Vacation You Want

With a point-based system, our owners benefit from tailoring each vacation to their own personal needs. Take a long weekend in New England at one of the InnSeason Resorts destinations or stay a week somewhere through the exchange company network. The InnSeason Vacation Club allows you to vacation the way that works best for your lifestyle!

SETUP MONTHLY MAINTENANCE FEE PAYMENT

Smart Move – This is where you set up a monthly pre-payment plan of your Maintenance Fees.

Club Owners may enjoy the convenience of paying their next year's Maintenance Fees - **monthly**. You can charge your credit card or have a withdrawal made from your checking account. Pay a relatively small monthly fee rather than the full bill at the end of the year! To start, simply read the billing policy below, and then fill out the form. It's that simple. If you choose to sign up, the monthly payments will start in immediately for your "next year's fees". (All Club Fees are due prior to the year of usage.) If you need assistance or additional information call our Owner's Services Department at **855-501-3003**.

PS. Remember you must set up this plan again for next year. It does NOT renew automatically.

Release Conditions

- This form acknowledges my release of the above unit/week to the InnSeason Vacation Club.
- In exchange for my week I will receive the specific number of points in my sales contract that are related to the week I deposit in the InnSeason Vacation Club.
- I acknowledge that my home resort must first verify my reservation and confirm that I am current with all payments, before the points are deposited into my Club account.
- I acknowledge that should I wish to accrue 100% of my points to the following year, I must do so in writing to the InnSeason Vacation Club prior to June 30. Notification after June 30 will result in being able to only accrue 50% of your points. No points may be accrued after August 31, and will expire on December 31.

Overview | New Request | Request History

Bonus Weeks are available to all InnSeason Owners: Traditional Timeshare Owners and InnSeason Vacation Club Owners. The following weeks are available for purchase with Vacation Club Points or Cash, depending on the source of the week. Club Members may purchase those weeks that are not available for points. Check back frequently as these weeks go quickly, and make sure that your Owner's email is updated so that you can receive last minute specials!

The weeks come to us from various sources and occasionally we will offer weeks that are available in our own inventory at reduced rates. We suggest that you bookmark this page and check in frequently.

Click the "New Request" Tab and choose your week. If you have eligible points (accrued points are available for Bonus Week bookings), it will be booked. The points will be deducted immediately, and the vacation time will be removed from the available list.

Owner's Services will review the booking and send you the necessary confirmation or call you to go over details.

RULES

1. Bonus Weeks are available to InnSeason Resorts and InnSeason Vacation Club Members in good standing. (All fees are current.)
2. Payment for Bonus Weeks will be deducted from Points immediately, or must be
