INNSEASON RESORTS NAMES CHIP ROGAN VICE PRESIDENT OF SALES

West Yarmouth, MA - InnSeason Resorts®, creators of the Northeast Experience® and leading providers of resort vacation and ownership opportunities, recently announced the promotion of Chip Rogan to Vice President of Sales.

Rogan started with one of InnSeason's predecessor companies in 1994 as a part-time telemarketer during his high school years. After graduating *cum laude* in 2000 from University of Massachusetts, Amherst, College of Business, he joined the company (at that time Curran Management Services) full-time and immediately took over the management of a 350-person telemarketing center. He relocated to InnSeason's Pembroke office as General Manager, working first as brand standards manager and then in 2005 creating the Vacation Experience Tours. As Vice President of Sales, he will be in charge of implementing sales strategies and processes throughout company's several Northeast sales centers.

Rogan notes, "This is a real opportunity for me. I have watched this company grow and have grown with it. Now I can make a difference strategically, directly impacting our corporate mission by implementing effective sales methods across our range of markets."
